Remark:

The following conditions must be observed and confirmed:

- The instructions of the lift and slope personnel must be followed.
- The trainer in charge is responsible for the safety of the course, the runners, and other skiers/boarders.
- Everyone involved must be instructed to follow the guidelines of the "Pistenregelkommission" (slope commission) of the Tyrolean government.
- The training group must train exclusively on the assigned slope section.
- On weekend or at events (openings), training sessions may be shortened or completely cancelled. Trainers will be given notice in advance at the trainer meetings!
- If there are many registrations for one day, the training will be staggered. Trainers will get more information at the trainer meeting.
- The assignation of training slopes will be done at the trainer meeting or directly at the start of the training slopes.
- The registration form of the training slope must reach our office at least 4 days before the start of the training. Later reservations will be treated with lower priority.
- If there are any changes concerning the assigned slopes, the Lienz Mountain Lifts will inform you early.

Further important information that must be acknowledged:

- The assignation of slopes is usually done according to the order of registration. Should you wish for a different slope, you must talk to the responsible slope manager.
- The regulations of the "Tyrolean Slope Seal of Quality" and the "Carinthian Slope Seal of Quality Commission" must be observed.
- You are hereby instructed to carry out the measures necessary for the safe execution of a race or training in an orderly manner, so that the slope-keeper does not have any further duties.
- The preparation a slope and a starting hill does not mean that the slope-keeper takes on additional responsibility.
- The recommendations for Alpine ÖSV-races (not FIS-faces) must be observed.
- The agreement is only valid, if the form has been submitted to the Lienz Mountain Lift AG with original signature.
- The instructions of our personnel must be followed immediately!

Failure to comply with the conditions above will result in the training group being barred from training!
